Program & Schedule

This programme was initiated in 2007. It is designed to provide individual members of humanitarian NGOs with flexible, affordable training. Under this programme members of humanitarian NGOs may study any or all the courses available from the Institute at reduced fees.

Living & Location

The Peace Operations Training Institute provides globally accessible and affordable self-paced, online, on-demand courses on peace support, humanitarian relief, and security operations. We are committed to bringing essential, practical knowledge to military personnel, police, and civilians working towards peace worldwide.

About

The Peace Operations Training Institute is dedicated to providing globally accessible and affordable distance learning courses on peace support, humanitarian relief, and security operations to men and women working to promote peace worldwide. We have the most experience providing distance training in peacekeeping. Our alumni

serve in the interest of peace all over the world. They are peacekeepers in the field at Missions, academics teaching the next generation, diplomats, high-ranking officials, and others. Thousands of students from over 170 nations have expanded their knowledge with the Peace Operations Training Institute. The self-paced, downloadable format of our courses allows the study of peacekeeping topics from anywhere in the world at any time. Our curriculum fulfils many training needs, including preparing for deployment to a peacekeeping mission, increasing effectiveness in the field, complementing study in the classroom, and increasing insight and knowledge of the UN system. The Peace Operations Training Institute is a 501(c)(3) public charity based in the United States of America. We are an independent not-for-profit organization governed by our
