About

Dream Girl Foundation is a non-profit organization that believes the same and has been working for more than a decade to help give destitute education and medical treatment. Today we present you with a unique opportunity to save life of Ayush a 6 year-old boy and hence save a family from crumbling. Ayush was diagnosed with Aplastic Anemia. Ayush's father Sunil Kumar is a taxi driver. Ayush's family hails from Bihar. Ayush is under the care of Dr. Anupam Sachdeva at Sir Ganga Ram Hospital, New Delhi. He has already undergone one bone marrow transplant in October 2017. The expenses for that transplant were a staggering 20 Lakh Rupees which Ayush's family raised by selling off their Bajaj service centre. Unfortunately, this surgery also failed and Ayush bone marrow platelets have still continued to fall. Ayush is currently admitted in Sir Ganga Ram Hospital again since 17 April 2018. This time the expenses that are required are 12-15 Lakhs for the bone marrow transplant. Ayush is an extremely fragile

condition and your small contribution can help save his life! So, we deeply urge you to donate as much as you can and as soon as you can to save a life. Ayush and his family will be forever indebted to you. So, we hope that we were able to get our message to you and you donate as soon as possible.
